Any sightseeing and shopping will be permitted only if it coincides with the team's main purpose, but could be cancelled if not deemed convenient for travel, time, or hinders humanitarian work. Trip costs are based on summer 2008 prices and are subject to change. Teams may be switched in the event of any political, natural, or other crisis. Due to IRS stipulations, deposits and contributions are non-refundable. All donations received by StudentReach International go toward project expenses. To receive tax deduction, the IRS stipulates that the donor must release control of the money donated to the non-profit organization. For this reason, money cannot be refunded and cannot be designated to a person. The individual will be a fundraiser and will get credit for raising funds equal to the price of the trip. If an individual is unable to participate in a StudentReach International trip, the funds he/she raised, less incurred expense and administrative fees, will remain credited to his/her account for one year. In the event of political unrest or natural disaster, StudentReach International decides where to send the team. In the event that a team has cancelled for any reason, team members will be assigned by StudentReach International to another trip of similar expense. StudentReach regulates conduct, dress, and an appropriate lifestyle. Please see website for details. Team members, leaders, and staff adhere strictly to StudentReach International policies and are subject to dismissal for disobedience without refund or reimbursement. Team members, leaders, and staff serve at their own risk and StudentReach International is not liable in the event of sickness, accident, death, terrorist acts, or for transportation or any other expense involved with the events listed. The StudentReach International experience includes intense physical activity including extended hiking, continuous walking, and strenuous activity. We require that all participants be in good physical and mental condition and may request a physical exam and reference from a doctor (if needed).

The information I have given StudentReach International is accurate and true to the best of my knowledge. I also give StudentReach International the right to use my picture, voice, and or/testimony in any type of promotional or advertising materials.
